About Investo

Investo Investment LLC is one of Dubai's leading investment firms with physical assets in the emirate. Investo established its presence in the international investment world by offering a modernized approach to investing. Over the years, Investo has become a leader in the industry by continuing its focus on flexible solutions, enhanced opportunities, advanced technologies, and world-class customer support. Investo focuses on investments in Commercial properties, including freehold and leasehold properties and movable assets.

Our investment profile emanated from Dubai's leading investment and property development firm, Crescent International Group (CIG). Established in 1978, CIG holds leading positions across a diversified conglomerate of real estate, construction, retails, education, healthcare, and hospitality. Likewise, Investo too believes in transposing highly profitable investment proposals to our clients and building a community that adds value to Dubai's economy.

Business Model.

Investo presents a unique investment opportunity in the luxury vehicle sector, where investors can participate in the operation of high-end vehicles to generate consistent returns. Our esteemed Limousine Service is renowned for delivering top-tier transportation services to prestigious clientele, including corporate executives and individuals who prioritize exceptional service.

Investment Details:

The initial capital of AED 460,000 is allocated

- toward two luxury vehicles.
-

The investment tenure spans five years, allowing investors

- to benefit from long-term returns, including a guaranteed profit rate of 23%.
-

At the end of the investment term, the investor will receive

- back the fully invested amount, ensuring the preservation of their initial capital.

Key Activities.

Vehicle Acquisition:

Investo acquires luxury vehicles (2 Cars) using a capital of AED 460,000, carefully selecting high-quality and popular models that cater to the target market.

Vehicle Operation:

The acquired luxury vehicles are operated within a premium Limousine Service, providing transportation services to clients.

Maintenance and Upkeep:

The Company takes care of all maintenance and servicing needs for the vehicles, ensuring they remain in excellent condition and comply with safety regulations.

Key Activities.

Marketing and Customer Acquisition:

The company builds brand awareness and attracts new clients by promoting its luxury transportation services to target clients through various marketing channels.

Financial Management:

The company manages the financial aspects of the investment model, including revenue collection, expense management, and distribution of returns to investors.

Customer Segments.

High-Profile Clients:

- A** Individuals with high net worth, celebrities, diplomats, and other VIPs who require luxurious and reliable transportation services.

Corporate Executives:

- B** Executives who require premium transportation for corporate events, airport transfers, business meetings, and other professional purposes.

Discerning Individuals:

- C** Individuals who appreciate luxury and exceptional service for special occasions, celebrations, and personal travel needs.

Uber and Careem:

Ride-hailing platforms like Uber and Careem are potential customer segments. These platforms often cater to a wide range of customers, including those seeking luxury transportation options.

Investo partners with Uber and Careem to offer its luxury vehicles as an exclusive option for their high-end users, allowing them to access premium transportation services through the platforms.

Revenue Streams.

Rental Income:

Investo generates revenue by renting out luxury vehicles to clients on an hourly, daily, or event basis, charging premium rates for exceptional service and quality.

Additional Services:

Investo can offer other services, such as airport transfers, VIP concierge services, and customized travel packages, generating additional revenue streams.

Partnerships with Uber and Careem:

By partnering with Uber and Careem, Investo taps into its user base and offers its luxury vehicles as an exclusive option for its high-end users. This collaboration results in additional revenue streams through revenue-sharing models with the ride-hailing platforms.

Capital Security.

Investo ensures capital security through a combination of measures:

1. Bank Guarantee

2. Dubai Court Agreement

3. Security Cheques

4. Company Agreement

By implementing these capital security measures, Investo aims to provide investors with a high level of confidence and protection for their capital investments
